Fatima

You were all very much remembered in my prayers at the feet of our Lady of Fatima. My visit there recalled many happy memories of our Parish pilgrimage last year for the centennial celebration when 104 parishioners participated.

I have now been appointed as the National Spiritual Director for the World Apostolate of Fatima to further their important work in Wales and England following on from the centennial celebrations

It would be good if those who came to Fatima last year together with those who kindly host the statue each week would consider establishing in the parishioner a cell of the WAF (World apostolate of Fatima –blue Army)) so that the message of Our Lady can be effective in our lives and parish families. It would entail a monthly meeting with rosary and a reflection on message of Fatima.,

Wearing of the brown scapular and spreading devotion to Our Lady of Fatima and the shepherd children. Many of these areas are already undertaken by many of you, but it would be beneficial to have the support of each other Please consider this as a new apostolate for the parish and for renewal and protection of family life and inspiration for our children. The monthly meeting can be in a parishioners home. If anyone is interested in hosting this please let Fr Jason know.

Mass intentions

Please ensure that Mass requests are given early if a particular date is needed

Cleaning of the church

Would those who kindly clean please ensure that if they are not able to clean that they find a replacement. It may be necessary on occasion to lock the toilets as they have not been cleaned and that no look paper has been put in place. If you regularly have to use the church toilets and are not on the rota then please consider purchasing a few look rolls to help.
