Shrine Indulgences. The Sacred Penitentiary of the Vatican have recognized the Shrine of divine Mercy by granting a number of indulgences on certain days within the year connected with divine Mercy and also for public celebrations held at the shrine in honour of divine mercy eg monthly divine Mercy evening. The Sacred Penitentiary also recognizes the work of Mercy of the SOS Chaplet association and has graciously given indulgences to members who perform this work of mercy for the dying and for their own death. The full decrees in latin will be framed and displayed in the Mercy Chapel and the translation will also be provided. Next Sunday there will be a full explanation at the Masses of the privilege that we have been given and we can obtain and benefit from the Indulgences.
