

My Dear Parishioners Happy Christmas

Please accept my deepest gratitude to you all for your immense generosity thi Christmas. I think you most sincerely for the beautiful sentiments you expressed in your Christmas cards. I sat down and opened them all on Christmas day afternoon and although exhausted I found renewed strength and satisfaction in your kind words of appreciation and support and thanks which you conveyed to me. Thank you. Thank you for the lovely gifts and gift cards , May the good Lord Lord reward you all for your never ending kindness to me.

Our Christmas celebrations continue in Church until the end of Christmas time on Sunday January 10th and the feast of the Baptism of the Lord.

Can I assure you at this time that we are strictly observing Covid regulations in Church with sanitising and Social Distancing so if you are anxious bout attending then please feel at ease.

With assurance of prayers for you all and your families and of course for our Housebound and sick and for the protection of our nurses..
