My dear Parishioners , As you will have read in the Advent newsletter, it was my intention to go to Poland at the end of the coming week. With the uncertainty of the Omicron variant and various precautions in place until Dec 20 th when it's full effects are known, I have decided to postpone my visit.

There are some appointments already for my return in my Diary which I would not be able to undertake due to the mandatory wait of 24-48 hrs of a negative PCR . Furthermore due to the accuracy of the PCR if I did test positive I would need to be in self isolation for 10 days which would take me up to up to 26th Dec and would therefore entail cancelling mass in the parish for Christmas eve, Christmas Day and Boxing Day. Naturally I do not want this to be the case.

I have already booked annual leave from the Hospital but I will just do End of Life call outs so that I can use the scheduled days for some Christmas preparation both spiritually and for shopping with my mother.

One of the reasons of my visit to Poland was to collect the precious relic of a piece of the stone from the original grave of St Faustina when she was buried on Oct 7th 1938. I am therefore most grateful to Chito and Grace who were in Poland for a few days to kindly collect the relic and to bring it back with them to the parish.

Synod. If anyone has emailed the synod team and offered to be the Parish Representative as previously advertised in the newsletter and mentioned last Sunday in the Pastoral Message, can you kindly inform me so that the feedback can be given to the parish. I appreciate at this time there is much going on not just for Christmas but getting back to life in general in the midst of a Pandemic and with the prospect of a new Variant. In one way the Synod is bad timing when people are only tentatively recommitting themselves back too Church and Sunday and Weekday Mass.

Holy Mass intentions Please note that Mass intentions up until the end of February are fully booked. There are still some people requesting Masses for January so these will have to be offered when there is a gap. I repeat what I wrote in September that if you need a Mass on a specific date in 2022 (from March onwards now) then please book early. There are already 100 masses in the diary for 2022 with some booked for the Autumn and December of 2022. .

Christmas Raffle 2021 Please kindly return the raffle and with your Name and Address and £5 to be in for a chance to win one of 15 prizes. Raffle drawn on Sunday 12th Dec 9pm . There are some spare if you did not receive one last week.

Parking Out of consideration for those who wish to visit the church in the day, would the morning mass goers please return the parking cones when they leave. Would those who attend evening functions also return the cones in readiness for the Morning Mass goers please.
