Knitting /Crochet group Starting Monday 28th March 2pm -4pm

This group will be starting up and making a baby bundle which will be taken to Poland in August for
the Sisters who have a Window of life. This window is for mothers who have chosen not to have an
abortion and can discreetly leave their baby in the ground level window drawer where the sisters
have a waiting list of parents eager to adopt and care and raise the baby

You can support this initiative by

Joining the club, providing wool or providing a pack of nappies for the bundle

Excess bundles will be used for the refugees. In the next three months 80,000 Ukrainian women are
scheduled to give birth so there is a need for baby items
