Assisted Suicide legislation – update 2

The important vote for all MPs on the assisted suicide legislation, known as the *Terminally Ill Adults (End of Life) Bill*, is likely to take place on 25th April. The charity Right to Life UK has a simple online mechanism to allow people to contact their Member of Parliament and it only takes a few moments to submit a message to ask an MP to stop assisted suicide being rushed into law. It can be accessed here: <https://righttolife.org.uk/asvote>. Also, to let you know, Right to Life is distributing postcards to parishes for the lay faithful to send to their MPs on this subject. A range of further resources on opposing assisted suicide is available here: <https://www.cbcew.org.uk/opposing-assisted-suicide/>
