

Please ensure you read the newsletter to keep up to date with what's on

Sunday mornings are very busy and its not possible to have long chats with people. If you need to speak with a priest or arrange an appointment or seek a house blessing or letter then please email, or Whatsapp or message on messenger or Instagram. Similarly I cant remember off the top of my head which masses have been booked without reference to the Mass book or what days there are gaps . Please refer to available masses for availability for specific dates.
