### **Legislative Consent Motion on Assisted Suicide Bill**

As the Senedd prepares to debate whether to give legislative consent to Westminster's Terminally Ill Adults (End of Life) Bill, Archbishop Mark and Bishop Peter Brignall wish to express their deep concern about legalising assisted suicide in Wales. International experience shows that where assisted suicide is legalised, eligibility criteria expand over time and subtle pressure is placed on those who are elderly, disabled, or who fear becoming a burden. True compassion means accompanying those who suffer and ensuring no one feels abandoned, not ending life. They urge Members of the Senedd to withhold consent and focus on strengthening palliative care. **Please also engage respectfully with your Member of the Senedd** to make your voice heard on this important decision for Wales.
