Message from Archbishop Mark. There will be a Second Reading and vote in the House of Commons for the Terminally Ill Adults (End of Life Bill) on 11 September. As Catholics, we oppose this legislation in principle as it attacks the innate dignity of every person. It is also very poorly written and gives no safeguards to healthcare staff, nursing homes, or hospices all of whom will be pressured to implement the bill if the legislation is passed. I encourage all Catholics to write to their MP. The Bishops' Conference has produced has a scannable QR code, available on its website at: <https://www.cbcew.org.uk/opposingassisted-suicide/>. On the page, there are various resources, copies of statements and guidance on writing to your MP, and please, please do so, to protect the most vulnerable in our society. Many thanks, +Mark Archbishop of Cardiff-Menevia.

From Heather Harris: Heather would like to thank the family of the Sacred Heart Parish for the many cards, Masses and prayers offered and given during her recent hospital admission and surgery.

Parish Office: preparations have started to reinstate the parish office in the Presbytery.

Aid to the Church in Need (CAN) Article 18 Petition Appeal. People around the world continue to suffer simply because of the faith they hold dear — facing discrimination, violence, imprisonment and even death. Their freedom to believe, worship and live out their faith is a basic human right, yet for millions it remains out of reach — and they need us to be their voice.

That's why ACN has launched its first-ever global religious freedom petition, calling on national governments and the United Nations to take urgent action to protect this fundamental right. At the heart of this campaign is Article 18 of the Universal Declaration of Human Rights, which guarantees freedom of thought, conscience and religion — including the right to change one's belief and to practice it openly or privately.

By signing, you are standing in solidarity with those who cannot speak freely for themselves and helping to send a powerful message that religious freedom must be protected everywhere, for everyone.

[Click here to sign the petition and make your voice count](#)

Please share the link or QR code with your friends and family and help us build a powerful voice for those who cannot speak freely — together, we can make a lasting difference in the lives of our suffering brothers and sisters.
